On the Cover
Meet Your New Board Members
The Grayhawk community has many wonderful amenities throughout the development available for residents to use including tot lot play areas, ramadas with BBGs, pocket parks and greenbelts, and over 30 miles of multi-use trails. Grayhawk also holds a wide variety of social events for residents throughout the year and has a number of clubs/groups for resident participation.

I thought this month would be a good time to remind you of another one of the Grayhawk amenities available to all Grayhawk residents—our Raptor and Talon Rooms in the Grayhawk Community Association (GCA) office.

Several years ago when the GCA office was remodeled, the GCA Board of Directors believed that there was a market in the area for affordable room rental space. In the redesign of the GCA office, the GCA Board of Directors approved the office remodel to include a “Club Room” type space (Raptor Room) and a larger meeting room space (Talon Room). While both of these rooms can be rented at very reasonable rates, the association has also been able to generate income from the rental of these rooms.

These two rooms can be used for all types of functions. The larger Talon Room can accommodate up to 75 people and is ideal for small businesses looking for a place to hold training sessions or seminars. This room is equipped with state-of-the-art audio/visual equipment which includes video streaming capabilities and the ability to professionally record presentations through our multi-camera system. We have rented this room to local real estate offices and dental offices for training sessions, and currently rent this room weekly to a real estate investment group. The Talon Room also has a small catering kitchen so you can bring in your own food or use the caterer of your choice which can save you a significant amount of money. However, please note that the Talon Room is not only for meetings and business-related gatherings. We have rented this room for birthday parties, anniversary parties, a holiday party, and small wedding rehearsal dinners.

The Raptor Room is the smaller “Club Room” style space that can accommodate up to 49 people and is perfect for small gatherings or parties. This room is currently being used monthly by the Bridge Club, a canasta group, and a Mah Jongg group. This room is casually decorated and accompanied with a couch, chairs, and flat screen TV with a living room style feel on one end and an open area for gathering on the other end of the room. This room is perfect for small weddings or baby showers, small birthday parties, or private family gatherings of any type. A small business recently hosted a happy hour in this space prior to holding a business seminar in the Talon Room.

As you can see, there are many uses in which you can use these rooms so please consider renting one of them for your next party or business meeting. For further information or to view these two rooms, please contact Jennifer Sheets at the GCA office.

We’ll talk again soon.

BOARD MEETINGS – MAY 2016

Board meetings are open to residents and we encourage you to attend. Your involvement does make a difference!

Grayhawk Board of Directors
Mon., May 2 at 5:30 p.m.
Grayhawk_board@grayhawkcommunity.org

Retreat Board of Directors
Mon., May 2 immediately following the GCA meeting.
Retreat_board@grayhawkcommunity.org

COMMITTEE MEETINGS

Communications Committee
Next meeting scheduled on May 16 at 3:30 p.m. at the GCA office.

Programs Committee
Next meeting scheduled on Mon., May 9 at 3:30 p.m. at the GCA office.

Landscape Committee
Call Stacey Harvey at 480-563-9708 for more information.

Operational Review Committee
Next meeting scheduled on Mon., May 23 at 5:00 p.m. at the GCA office.

Architectural Review Committee
Tues., May 3 and 17 at 4:30 p.m. at the GCA office.

OTHER ASSOCIATIONS

Avian Condominium Meeting
Tues., May 17 at 6 p.m. in the Raptor Room, GCA Office. Call Associated Property Management 480-941-1077 for details.

Cachet at Grayhawk Condominium Annual Meeting
Wed., May 18 at 6 p.m. at the Cachet Clubhouse. Call FirstService Residential at 480-551-4300 for details.

Crown Point Board Meeting
Call Stacey Harvey at 480-563-9708 for details.

Edge Condominium Board Meeting
Visit www.theedgegrayhawk.com or call 480-584-4647 for details.

Encore Board Meeting
Wed., May 18 at 6:30 p.m. in the Encore Clubhouse. Call Ogden & Company at 480-396-4567 for more details.

Tesoros Condominium Board Meeting
Mon., May 9 at 6:30 p.m. in the Tesoro Clubhouse. Call Kinney Management at 480-820-3451 for details.

Venu Condominium Board Meeting
Tues., May 17 at 7 p.m. Call Associated Property Management at 480-941-1077 for details.

Village at Grayhawk Condominium Board Meeting
Tues., May 19 at 6 p.m. in the Raptor Room, GCA Office. Call FirstService Residential at 480-551-4300 for details.

Venu Condominium Board Meeting
Tues., May 17 at 7 p.m.

Call Associated Property Management at 480-941-1077 for details.

Vintage Condominium Board Meeting
Wed., May 18 at 10:30 a.m. at FirstService Residential. Call FirstService Residential at 480-551-4300 for details.

VISION
Grayhawk: a Sonoran Desert home to vibrant southwestern living with an uncommon commitment to community.

MISSION STATEMENT
Grayhawk Community Association strives to enhance quality of life and community strength through inclusion, participation and pragmatic stewardship of human, financial and environmental assets.
Election of Officers
A motion was made and approved to appoint Linda Shaw as President, Paul Alessio as Vice President, David Van Omen as Secretary and Jeanette Griswold as Treasurer for the Grayhawk Community Association Board of Directors 2016-17 term.

Development Committee
Committee Chairman David Van Omen reported that there was not a meeting in March. The Grayhawk Plaza at the SE corner of Scottsdale Road and Grayhawk Drive still has no information available regarding a possible new tenant for the empty space previously occupied by Bashas’. Dutch Brothers Coffee is scheduled to open on April 9.

Operational Review Committee
Martha Troy reported that the committee discussed minor gate issues and possible a safety concern at the Talon resident entrance. The committee recommended the RVA Board look into the possibility of a rubber speed bump at the swing gate.

Patrol has added a few hours of extra patrol in the Park and to date there are no new issues of concern. A homeowner issue with outdoor wood burning fireplaces was discussed at length amongst the committee. The committee recommends reaffirming their previous recommendation to the Board to take no action regarding outdoor wood burning fire places or fire pits.

Due to previous theft and vandalism of the shade sails at the tot lots, the committee discussed several ideas to monitor/track them including GPS chip, monogram sails and motion cameras. The committee will further review this topic.

Martha Troy introduced the idea of creating a Memorial Bench Program for current/past residents. The committee decided to take no action at this meeting and will discuss it further at a future meeting.

Landscape Committee
Arlene Smith reported that the committee met on March 15. The committee discussed three previous GCA proposals and one RVA proposal and their final outcome (concrete sidewalk panels, benches, Monterey Retreat fire mitigation and Deer Valley channel erosion). Various projects and routine renovation was discussed. The stabilizer sample location on Hayden Road north of Grayhawk Drive was re-installed, bench pads are being installed beginning March 21 and DLC Resources presented the proposed projects which included turf header repair/replacement, Deer Valley Wash channel brush clearing and Retreat Village fire mitigation.

Motion was made and approved to proceed with the header repair proposal for $8,330.00 to be funded through the GCA operating account.

Community Enhancement Committee
Bob Mann reported that the committee did not meet.

Event Planning Committee
Sarah Van Duyne reported that the Spring Market was not well attended and the committee would be discussing possible reasons at the next meeting. The Easter Egg Hunt was a huge success with almost 800 in attendance. Upcoming events include the Community Garage Sale, the Family BBQ and Movie Night, Family Golf Clinic and Grayhawk Golf Outing.

Communications Committee
Linda Shaw reported that the committee did not meet.

Architectural Review Committee
Paul Alessio reported that there had been several routine submittals in March. The committee has completed updating new paint schemes for every neighborhood. The feedback is that residents like the diversity.

The committee has also continued to look at renovating or replacing the community monument signs and neighborhood signs. Roger Tornow is completing a photo inventory of all current neighborhood monument signs and Grayhawk area signs, and he will present his report to the Board of Directors at the May 2 Bard meeting. There are currently two custom homes under construction in the Serenity neighborhood.

Budget/Finance Committee
Linda Shaw reported that the committee did not meet.

Executive Committee
Linda Shaw reported on the strategic goals update. To date, the strategic goals through March are all either completed or currently being worked on by the GCA staff, Board of Directors, and committees. Seven of the eight condominiums have submitted requests for this year Condominium Community Enhancement Program.

New Business
A motion was made and approved to re-appoint all current committee chairs with the exception of the Budget/Finance Committee which will now be chaired by Jeanette Griswold.

Treasurer’s Report
Barb Nelson reported that the GCA was running under budget for the year. The 2015 GCA audit should be completed at the end of April.

Management Report
Stacey Harvey reported that the office flooring project is completed. New mailboxes will be installed in the Crown Point Norte, Volare and Los Vientos neighborhoods during April.

The painting project with the new color scheme is nearing completion with all of the neighborhoods completed and just “odds and ends” like street poles and utility boxes still needing to be painted.

Desert Recreation has been contacted to request a proposal to add more manufactured wood fiber to all the tot lots. This is a reserve expenditure.

Tennis Courts
Tennis courts in the Retreat Village are for use by all RVA residents and their guests, however, a resident must be present with playing guests.

Wildlife Education Class with the Southwest Wildlife Conservation Center
As our spring temperatures continue to warm, you will continue to notice changes in your turf as it gets ready for the summer. This seasonal process is called turf transition – when Bermuda grass emerges from dormancy and starts actively growing again. Since Grayhawk utilizes an overseed rotation schedule, the way transition looks in the overseeded greenbelts and pocket parks looks different than in those areas that were allowed to go dormant last fall. The real changes in your turf kick off once nighttime temperatures are consistently in the mid 60s and the Bermuda enters its growth season.

As daytime temperatures exceed 90 degrees, the winter Ryegrass begins to recede. It is during this transition period where both types of grass compete for space and water. Transitioning from Ryegrass to Bermuda grass is, ideally, a gradual process that typically lasts from the beginning of April through the end of May. However, weather and temperature dictates when the grasses start growing and declining, so we have to be prepared to be flexible based on the hand Mother Nature deals this spring!

The areas that were left dormant begin actively growing with the warmer temperatures and you will notice the color changing from a straw-like blonde to light green. In the overseeded areas, mow heights were lowered to start pushing out the winter Ryegrass and to allow the Bermuda access to sunlight to start growing. As Ryegrass dies off, turf may appear off-color or yellow and there may even be some areas that appear dry. This is a temporary condition that improves as the Bermuda grass fills in. Sometimes when the Ryegrass dies, it forms a thick mat which is easily removed with a verticutting machine.

Once Bermuda grass is actively growing, ideally by mid May, Ammonium Sulfate fertilizer (21-0-0) is applied to enhance color and growth and promote healthy turf. To help encourage the Bermuda’s growth, we aerated all the turf areas to break up soil compaction and to allow water, fertilizer and oxygen reach the roots of the turf. You will also see the irrigation on again more frequently in the dormant Bermuda areas to promote the Bermuda’s growth.
Farewell to Principal Pratt
By Susan Matura, Coventry at Grayhawk

As the students at Grayhawk Elementary School prepare to finish off the school year, they will be bidding farewell to a school favorite - Principal Pratt.

Mr. Pratt started his teaching career in 1987 at Eagle Ridge Elementary. He came to Grayhawk as the assistant principal back in August of 2010, and when then-principal Don Hiemstra retired in 2011, Mr. Pratt was hired to become the principal of Grayhawk Elementary School.

I had the privilege of interviewing Mr. Pratt for the Grayhawk Flight when he first joined our community, and I recently had the opportunity to ask him about his retirement and his years at our neighborhood school:

**What are your three most memorable experiences at Grayhawk Elementary?**

Our efforts to take into account the whole child, through the incredible community events, continue to resonate with me. It is so important for our community to celebrate all aspects of learning and I am so proud of how at Grayhawk we provide learning experiences for everyone. For example, our first Hour of Code night, our first Fine Arts Night, and our first Family Science night are great examples of how we came together as a community and celebrated all aspects of learning.

The A+ School of Excellence experience. That whole experience was incredible, as we took a step back and looked at Grayhawk as a whole system of excellence. That reflection process was so powerful. It illustrated for us how everyone’s role in achieving the same goal is essential to Grayhawk’s success as an exceptional learning environment for our students.

I will also always remember the fun we had. I loved to see the joy in the students’ eyes, for example, as I came walking out on the field high-living everyone, just before getting covered in every kind of sweet imaginable as the “Human Sundae.” I also thoroughly enjoyed spirit days, dressing up as Superman, Discoman, Batman, and the Cat in the Hat. Now I wonder what I will do with all my costumes.

**What will you miss the most about Grayhawk Elementary School?**

The day-to-day interactions with our students, staff and parents. My favorite part of my day has been going into classrooms and watching our great teachers in action and our students demonstrating their excitement and love of learning. I will also miss the family and community feel of everyone working together to provide the best learning experience and culture possible for our students.

**What is next for you?**

I am excited about the possibilities and new adventures. Even though this is a retirement from PVUSD, I am not about to stop working. I always challenged my staff to think outside the box, and not be afraid to take risks. Now it is my turn to model that for myself. Having loved being in education over 29 years, it is a good time for me to explore how I can use what I have learned in new, creative ways.

**What do you wish the whole world knew about Grayhawk Elementary School?**

Grayhawk Elementary School is a very special school community. It has a tradition of excellence, but also a tradition of continually moving that excellence forward in new and exciting ways. It is a prime example of the great things that can happen when students, staff, parents and community work together to provide the best educational environment. I am so proud to have been a part of that tradition.

Parents, teachers, and students will miss seeing Mr. Pratt around the school. A few students shared their thoughts with me:

“I like how Mr. Pratt does magic tricks for us.” “He was a principal who taught us well.” “My favorite thing about Mr. Pratt is that he’s in an awesome rock band.” “My favorite memory of Mr. Pratt is when he would always do magic for my friends and me.” “The funniest thing Mr. Pratt did was the Mr. Pratt Sundae.” “He’s a really nice principal and we don’t want him to leave.” “I will miss him because he was always fun and nice to talk to.”

**Good luck with your journey, Mr. Pratt. Grayhawk will miss you!**

Age restrictions may apply. Cannot be combined with any other offers. Coupon must be presented at appointment. Limit 1 per patient. AZ, CO, ID, NM Delta Dental members: valid toward cosmetic dentistry only.
When I first moved here from Illinois, my superficial take on our climate was that we have a single season with a few chilly days in December and January. Coming from a conventional four season environment, the seasonal rhythms of our desert were slow to take hold. But, once I began to understand them, I began to more fully appreciate the distinction that each one has.

Like many other features of the Sonoran, there is more to our seasonality than meets the eye. Seasonal changes here are subtle, but they definitely exist and they are more numerous than you’d imagine.

There are a variety of ways to identify the seasons of the Sonoran and the sentiment is that there are anywhere from four to nine of them.

That said, to my mind’s eye, four is too few and nine is too many. The four season model attempts to fit our seasons into the conventional summer-fall-winter-spring framework. The nine-season model focuses on distinct temperature ranges for each of nine periods during the year. Neither one is quite adequate.

Of this range of models, the one that most resonates with me is the six-season model described in *A Natural History of the Sonoran Desert*, an anthology edited by Steven J. Phillips and Patricia Wentworth Comus.

This model helps us understand how our weather throughout the year is likely to affect plants. It also provides insight into changing irrigation requirements based on the season.

---

If you are interested in learning more about the Sonoran, ‘A Natural History…’ is a great place to start. With 36 contributors and 20 chapters devoted to the array of elements that make up our ecosystem, there is something here for everyone. The chapters are discrete which encourages “skipping around” and allows the reader to follow particular interests - whether it’s birds, mammals and fish you’re after - or desert air and light, desert storms and/or desert soils.

The introduction boasts “…a fresh look at the ecological and cultural patterns which shape the richest, most complex desert in all of the Americas.” And, with that, a greater understanding of “our desert, our home.”

A Natural History of the Sonoran Desert is available at the Scottsdale Public Library and, of course, at book stores and Amazon.
**May’s Plant of the Month**

The Globemallow is a delicate low-water shrub that should be a welcome addition to any landscape. It comes in a wide variety of flower colors and has a nearly perfect shape without being overly sculptured. At 3’ x 3’ it is perfect for residences and will only need the occasional restoration pruning to keep it producing a robust crop of flowers. The one pictured in our plant of the month is on Grayhawk Drive in Raptor Retreat.

### Plant of the Month: *Sphaelacea ambiguа*

- **Latin Name:** *Sphaelacea ambiguа*
- **Common Name:** Globemallow
- **Native Distribution:** SE UT, Southern NV, AZ, SE CA, Baja, California & Sonora, Mexico
- **Size:** 3’ x 3’
- **Flower:** 1” Cup-Sized Flowers Cover the Stems, Opening from the Bottom to the End in Spring; Cultivars include White, Pink, Peach, Lavender, Rose and Orange
- **Foliage:** Grayish/Green Three-Lobed Leaves are 1” x 1”; Leaves have White to Yellow Hairs that can Produce Allergies in Humans
- **Site Preferences:** Full Sun (Becomes Scraggly in Partial Shade) in Virtually Any Soil Type; Needs Minimal Water Once Established
- **Landscape Uses:** Combine Several Plants with Penstemons & Desert Marigold; Good as a Backdrop; Scatter them in Naturalistic Settings; Delicate Counterbalance to Cacti & Other Succulents
- **Plant Characteristics:**
  - Herbaceous Shrub
  - Cold Hardy
  - Supplemental Irrigation Produces:
  - Fuller Growth
  - More Flowers
  - After Several Years, Plants Look Ratty
  - Restoration Prune to 6”
  - Buy Plants in Bloom to Assure Flower Color
**Aqua Fitness for Life**
**Mondays and Thursdays 9 a.m.**
Come join the “Aqua Babes” in the Talon Retreat for the Water Aerobics Class. “Water Fun” is taught in the shallow end of the pool and is designed to burn calories, increase endurance and improve strength and flexibility. Join the fun and call Sue at 480-473-9262 to register today.

**Functional Fitness with Daniel**
**May 6 from 2:30 p.m. to 3:30 p.m**
**GCA Talon Room, 7940 E. Thompson Peak Pkwy.**
This will be the final class of the four week exercise program has been designed to help improve the quality of everyday life by building strength, flexibility, balance, and stability that will make daily activities easier and safer to perform. This 50 minute session will include Warm Up, balance and stability, and strength training with the leadership of a personal training professional. Even if you have not attended the prior classes, you are able to join this one. The cost is $20 to attend. RSVP to 480-9839 and prepay by May 2.

**Ladies Night Out**
**Tues., May 10 at 5 p.m.**
**Jalapeno Inferno, 20825 N Pima Rd**
Join the Grayhawk ladies at the beautiful Market Street Jalapeno Inferno for a few drinks, a little food and great conversation. This is a great way to meet your neighbors and make new friends! Reservations are accepted until seats are filled. Space is limited. RSVP to 480-563-9839.

**Moms, Manis, and Mimosas at M3V**
**Sat., May 14 from 2 p.m. to 4 p.m.**
**M3V Nail Bar, 5450 E High Street # 109**
Although Mother’s Day has just passed, we decided mothers should be celebrated all month long. And what a better way to celebrate the mothers in our lives than getting pampered with a mimosa in our hand. M3V is a beautiful upscale nail bar at High Street that is sure to make someone feel special. For $35 guests will receive sweet treats, mimosas, and a manicure. Or, for $55 guests will enjoy both a manicure and pedicure, sweet treats, and mimosas. Don’t miss this opportunity to pamper your loved ones or to get your friends together. A door prize for a free deluxe pedicure will be given to one lucky guest! RSVP to 480-563-9839 and pay by Thursday, May 12 at 5 p.m.

**Line Dancing lessons at Cowboy Saloon**
**Tues., May 17 at 5 p.m.**
**Cowboy Saloon at High Street, 5310 E High Street**
Howdy! Start dusting off your cowboy boots and get ready for some boot scoot’n fun! Gather your friends and neighbors and dance the night away at the Cowboy Saloon. This will be a great way to meet some of your neighbors and try something a little different. There is no need for a partner for this class, everyone is welcome. Please feel free to bring a friend who is not a Grayhawk resident. Cost is $5 for the class. Drinks and appetizers are encouraged but not covered in the cost. RSVP to 480-563-9839 and prepay by May 16.

**Tea 2 Go Tea Tasting Event**
**Thur., May 19 at 5:30 pm**
**GCA Talon Room, 7940 E. Thompson Peak Pkwy.**
Did you know that fine craft teas have just as sophisticated a process and as many flavor profiles as fine wines or coffees? Tea2Go, our neighbors over at High Street, will be joining us for a demonstration and full-sized samples of gourmet teas. (Have you tried their “gunpowder green,” by the way? It’s delicious!) Bottled water and sweet treats will also be provided. There is no cost for this event, please RSVP soon to reserve your spot! 480-563-9839

**Desert Belle Bus Trip and Sunset Cruise**
**Sat., May 21 from 3 p.m. to 8 p.m.**
**Desert Belle- Saguaro Lake**
Take in the stunning views of Saguaro Lake on a 90-minute sunset cruise. Set sail on the Desert Belle, a historic ship that’s been restored. You’ll see the iconic, warm-hued mountains of the Tonto National Forest and maybe even spot some local wildlife, from the comfort of the deck. Along with live musical entertainment and light snacks, there is a bar on board with select beer, wine, water, and soft drinks available for purchase. Total cost is $30 a person, which includes first priority seating, one free beverage of your choice and a round trip bus ride. The bus will be meeting in the parking lot of Grayhawk Plaza on Scottsdale Road and leaving by 3 p.m. and returning by 8 p.m. RSVP to 480-563-9839 and prepay by May 19.
Monday Movement with Melanie!
Mon., May 23 from 10 a.m. to 11 a.m.
Grayhawk Greenbelt, 78th Way & 78th Place
Come experience an entirely new way of promoting strength, flexibility and longevity that utilizes your bodyweight as your only tool. Learn simple workouts that you can practice at home to gain strength and flexibility. The movement-based methodology will open your eyes to new possibilities for moving better, feeling better and living better! Melanie is a functional fitness specialist whose methodology is informed by her own experiences with scoliosis, pain and injury, as well as her extensive certifications. RSVP to 480-563-9839 and pay the $2 fee to participate by Friday, May 20 by 5 p.m.

Grayhawk Single Sippers Club
Wed., May 25 at 5 p.m.
Postinos Wine Cafe, Kierland, 7030 E. Greenway Parkway
If you are a single looking for casual conversation, a friend, or just to meet some other singles in your neighborhood then this event is for you. Grab yourself a light bite to eat and a drink all while meeting some new people. This is a great way to broaden your circle of friends and to try something new. Feel free to bring non-residents as guests. RSVP to 480-563-9839 by Monday, May 23.

Top Shelf Tequila Tasting
Thurs., May 26 at 5:30 p.m.
Fairmont Princess, Barbacoa Patio, 7575 E Princess Drive
Did you miss out on all the Cinco de Mayo celebrations this year? Well we have the perfect solution! Come join your neighbors at the Fairmont Princess on the Barbacoa Patio to taste some top shelf tasty Tequilas. The cost to participate in this flavorful event is $35 per person and includes a tequila flight, a class led by the resorts very own tequila goddess, and tray passed appetizers. This tasty, but not so educational class is sure to fill up fast! RSVP to 480-563-9839 by Tues., May 24 to reserve your seat. Thanks to our sponsors The Frutkin Law Firm for making this wonderful event possible!

Coming Soon:

Concert Under the Stars
Mon., May 30th at 5 p.m.
Grayhawk Greenbelt, 78th Place & 78th Way
If you're a music lover and enjoy being in the beautiful outdoors, then grab your family and friends, pack a picnic basket or partake in one of two participating food trucks, and join us for some evening entertainment at the Grayhawk Greenbelt. A few local bands will perform a variety of genres of music while you relax on your blanket or folding chairs and visit with friends, family, and neighbors! You are welcome to bring your coolers with food and drinks from home, just no glass please! The cost for this event is only $3 per person, the food from the food trucks is separate and not included. RSVP to 480-563-9839 by May 30.

Neighborhood Block Parties
In celebration of our 20th Anniversary, the Grayhawk Community Association wants to help you celebrate your individual neighborhoods! We are looking for a coordinator/ spokesperson for each neighborhood or condominium complex to contact us when they are planning a block party. We will provide a Grayhawk Birthday Cake and the Block Party Trailer at no cost. This offer will stand for all of 2016, so all fall parties can be reserved at this time as well. Please email Sarah if you would like to be a coordinator for your neighborhood or have any questions at svanduyne@ccmcnet.com or call 480-563-9839 to reserve the party trailer.

GRAYHAWK ANNUAL MEETING

Each March the community comes together at the Annual Meeting to celebrate the achievements of the previous year and the possibilities of the future, as well as elect the Board of Directors for the coming year. This year was no different, although perhaps even more special than in year's past.

As we celebrated Grayhawk's 20th year, we honored the three amazing resident Board Presidents that led the community over the years, as well as recognizing all of the other board and committee members that have selflessly given to their community.

Residents were treated to fun, old photos alongside refreshments, and balloons and ribbon lined the room, a sort of birthday décor for Grayhawk's big celebration. Guests were treated to a live music prior to the meeting, a variety of fantastic prizes, and even a special story and toast from Grayhawk Development's Brian Baehr.

The Annual Meeting was one of many special celebrations taking place this year. We hope that each and every member of our Grayhawk family makes it to at least one. Happy Birthday, Grayhawk!

Thanks to the following partners for their participation in the 2016 Annual Meeting. Due to their generosity, we were able to give away door prizes ranging from a stay at the Fairmont Scottsdale Princess to spa treatments and many, many fantastic things in between. We appreciate you!

Normally I would try to write about the hot new Mexican restaurant in May in an effort to celebrate one of my favorite holidays- Cinco de Mayo! Something about the bright colors, music and tequila really just makes me want to join in the celebration. However, I couldn’t pass on the opportunity to check out a new wine hot spot. I know how my Grayhawk ladies love their wine! This special spot allows customers to blend, bottle and custom label personal wines in a fermentation room, and then taste other wines paired with small bites in an adjacent salon. Yes... an exciting new concept in wine seems to have arrived at the DC Ranch Crossing, thanks to the passion of husband and wife team, Bill and Debra McDermott. Known as Decantur, the experience they’ve created immerses guests into the wine making world in an attempt to expand their enjoyment, education and knowledge of wine. The owners, along with Cellar Master Collin Mitzenmacher, make wines on-site using grapes sourced from all over the world. In addition to their tasting room, Decantur allows guests to make, bottle and custom label their own wine. Wine lovers can also buy wine club memberships, offering perks like VIP access to events and discounts on purchases.

Grayhawk’s Director of Communications Jennifer Sheets and I decided to stop in for lunch, and we were not disappointed. Unfortunately, it was a little too early for me to sample some wine, and Jennifer had to go back to work. So we had to settle for water and coke. But let me tell you that I enjoyed one of the best sandwiches I’ve had in a long while. I can’t stop talking about it! I was going to order the Smoked Turkey and Avocado until our server told us about the Bacon Brie Chicken Club. She went on so much about it that she had me salivating. It was roasted chicken with brie, maple bacon, caramelized onion, and arugula. It came with a choice of side, and I chose the Cucumber, Tomato & Country Olive Salad. It was delicious and I didn’t walk away with French fry guilt. I consider that a win.

Jennifer ordered the Margherita Flatbread (which also came recommended) with heirloom tomatoes, mozzarella garlic oil and basil. The flatbread was slightly thicker and softer than we were both used to, but it was soft and simple. We both enjoyed our lunches and would love to go back and sample some of the wines and attend some of their events. In addition to a nice happy hour and live music on Saturdays, they’ve partnered with other area establishments like Pinspiration to provide events targeted to specific interests. It isn’t the atmosphere at Decantur, or the food, or even the wine that makes it special. I think it’s a combination of those things, coming together to make this a great place to stop in for lunch, happy hour, dinner or a special event. I hope you will stop by Decantur for a glass of wine and check it out.

Remember wine is first and foremost about connecting with people!

GRAYHAWK OFFICE UPDATE

The Grayhawk Community Association office moved in 2010 to a new space in the same building that it had previously been in. It was a big step up for the office, and allowed more space for staff, as well as additional space that we now rent to residents and non-residents for both business and social use.

Six years later, however, the office had started to look worn. From the carpet to entryway chairs, the office was showing signs of the many visitors that come in and out every day. So the Board of Directors approved moving forward with installing new floors and updating a few pieces of furniture that had started to wear down. Rather than replace the carpet with more carpet, wood look tile was installed, along with a darker baseboard. The project is in the final stages, and the office looks fantastic. Thanks to everyone who has been patient with the remodel along the way!
